## About Greg Abbott:

A husband and father, Greg Abbott understands the importance of preserving Constitutional, traditional values – like faith, family and freedom for future generations.

Shortly after taking office, Attorney General Abbott established a Cyber Crimes Unit to better protect children, a Fugitive Unit to arrest parole violators, and an expanded Medicaid Fraud Control Unit to crack down on waste of taxpayer dollars.

Attorney General Abbott believes there is no higher power than God, and in March 2005, he successfully defended the placement of the Ten Commandments on the Texas Capitol grounds before the U.S. Supreme Court.

Prior to serving three terms as Attorney General, Greg Abbott served as a Justice on the Texas Supreme Court and as a State District Judge in Harris County.

A native Texan, Attorney General Abbott was born in Wichita Falls and raised in Duncanville. After graduating from the University of Texas with a B.B.A. in Finance, he received his law degree from Vanderbilt University. He lives in Austin with his wife, Cecilia, a former school teacher and principal, and daughter, Audrey. He is an avid sportsman and hunter.

**Defending Life:** Successfully defended laws protecting the unborn including the Federal Partial Birth Abortion Ban Act.

**Fighting ObamaCare:** On the day ObamaCare was signed into law, Greg Abbott joined 12 states in challenging its constitutionality. He is committed to fighting ObamaCare and repealing the unprecedented tax on all Americans.

**Promoting Traditional Values:** Greg Abbott champions the values that define Texans. He successfully defended the constitutionality of the Ten Commandments displayed on the Texas Capitol grounds all the way to the U.S. Supreme Court and represented all 50 states in defending the words "under God" in our Pledge of Allegiance.

**Watching Out for Taxpayers:** A fiscal conservative, Greg Abbott is a leader in rooting out fraud and abuse. His administration has recovered over \$1 billion in taxpayer dollars on behalf of the state and federal Medicaid programs.
