## Meet Greg Abbott:

A husband and father, Greg Abbott understands the importance of preserving Constitutional, traditional values – like faith, family and freedom to keep Texas prosperous and a great place to call home for future generations.

Shortly after taking office, Attorney General Abbott established a Cyber Crimes Unit to better protect children from predators, a Fugitive Unit to arrest parole and probation violators, and an expanded Medicaid Fraud Control Unit to crack down on waste of taxpayer dollars.

Attorney General Abbott believes there is no higher power than God, and in 2005, he successfully defended the placement of the Ten Commandments on the Texas Capitol grounds before the U.S. Supreme Court.

Prior to serving as Attorney General, Greg Abbott served as a Justice on the Texas Supreme Court and as a State District Judge in Harris County.

A native Texan, Attorney General Abbott was born in Wichita Falls and raised in Longview and Duncanville. After graduating from the University of Texas with a B.B.A. in Finance, he received his law degree from Vanderbilt University. He lives in Austin with his wife, Cecilia, a former school teacher and principal, and daughter, Audrey. He is an avid sportsman and hunter.
