Gentlemen:

Please find enclosed information that we have forwarded to the Collin County Grand Jury that is investigating potential criminal actions by Texas Attorney General Ken Paxton. Information relating to Mr. Paxton's involvement with the development of the Collin County Central Appraisal District facility was provided for the Grand Jury's consideration.

The public information available from county and city sources appears to reveal improper insider dealing and manipulation of public resources for private gain. In addition to any action the Grand Jury might take, we are hopeful that the Department of Justice will investigate this matter and pursue any prosecution that is warranted. A USB drive with copies of all supporting documentation is also enclosed.

Please do not hesitate to contact us should you have any questions.

Sincerely,

Matt Angle
