

## ***Mike Schofield Picks Up Trump Playbook for Another Run*** ***Schofield's blind partisanship has already been rejected by District 132 Voters***

There are few Texas Republicans more open about their support of Donald Trump than Mike Schofield. Schofield ran his recent primary campaign on his unwavering support of Trump, telling voters he would “stand with President Trump” on the President’s reckless agenda. It’s not a surprise. Schofield is a career Republican political hack who has made his way by towing the party line. After the voters of Harris County threw him out of office in 2018, Schofield’s unwavering allegiance to the Trump-wing of the Texas GOP landed him a cushy job with one of Donald Trump’s top allies in Austin.

It may be a new year, but Schofield is running on the same deeply partisan, divisive agenda that voters have already rejected once – take a look:

- **Stands with insurance company special interests over Harris County Families:** Just months before Hurricane Harvey ravaged Houston, Mike [Schofield co-authored a sweetheart bill](#) for his insurance company donors that made it harder for Harris County families who suffer storm damage to get fair payment for losses. In return, his insurance industry friends have lined his campaign coffers with tens of thousands of dollars in corporate special interest campaign donations.<sup>1</sup>
- **Attacks on Quality Healthcare and Science:** Mike Schofield [wants to repeal of the Affordable Care Act \(ACA\)](#) that would take away protections for Texans with pre-existing conditions access to quality, affordable healthcare and prescription drugs. While working to dismantle the ACA, Schofield has also stood with Trump-Republicans in the Texas Legislature [to block the expansion of healthcare](#) for over 1 million Texans, supported efforts [to block access to reproductive healthcare](#) services even in cases of rape and [lauds support from anti-vaccine radicals](#) who deny science.<sup>2</sup>

- **Attacks on Public Schools:** Mike Schofield has voted to cripple public schools and [prevent the expansion of high-quality pre-K](#). Multiple times, Schofield has voted for private school vouchers that would shift millions of dollars away from local neighborhood public schools and give it to unaccountable private schools.<sup>3</sup>
