

***When Morgan Meyer Needed Help, He Turned to: Rudy Giuliani?
To escape a Republican Primary opponent, Meyer sold out to extremists
and turned to Giuliani.***

Morgan Meyer is on board with Donald Trump's Republican Party in a continuation of a cynical, self-serving political survival plan. Years ago, Meyer escaped a Republican primary by turning to the Tea Party-- calling for an end to the Affordable Care Act, touting school vouchers, promoting off the wall Trump-like ideas, and touting the support of Trump's crooked personal attorney, Rudy Giuliani. Trading in basic decency for the backing of Giuliani was enough to get Meyer over the finish line.

In Austin, Meyer has toed the party line on vote after vote while far-right special interests and loyal Trump donors have lined up to support Meyer's efforts.
