

## ***Karyn Brownlee's Extreme Alliances Not New or Surprising*** ***Trump donor Brownlee represents the extreme of the Texas GOP***

Republican State House Candidate, Karyn Brownlee fully embraces the divisive, dangerous and destructive agenda of Trump Republicans. Brownlee's embrace of Trump-style politics is not new. For over a decade, Brownlee has been a right wing activist and a public supporter of the most radical views within the Republican party, even writing numerous ideologically driven blog posts ranging from baseless [attacks on Barack Obama](#) to [far-right conspiracy theories](#) at odds with facts and common-sense.

Brownlee promises to bring her full-on embrace of Trump's style and dangerous policies to Austin if elected.

- **War on Affordable Care:** Karyn Brownlee [has been a vocal opponent of the Affordable Care Act \(ACA\) since the beginning](#). Brownlee and Trump-Republicans support a repeal of the Affordable Care Act (ACA) which would eliminate coverage for pre-existing conditions and block access to quality, affordable healthcare and prescription drugs.<sup>1</sup>
- **Firing employees for faith:** Karyn Brownlee [celebrated and supported a court decision that allows for employers to fire employees who don't share their religious beliefs](#), even if the work the employee does has nothing to do with their faith. She called the decision to allow discrimination at the work place "[good news](#)."<sup>2</sup>
- **Extreme view on the issues:** Brownlee's commitment to the Trump agenda is out of step with Dallas County families. Brownlee supports the Texas GOP platform [which opposes common-sense protections for the LGBT community and opposes abortion even in the case of rape and incest](#).<sup>3</sup>
