

Justin Berry's Trump-Approved Campaign ***Berry has pushed Trump-style politics since day one***

Thousands of Texans have lost their lives because of Donald Trump's COVID-19 bungling and the worst is still ahead. As reasonable Texans – even many Republicans – come to grips with the peril and danger of continuing to support Trump's erratic approach, House District 47 Republican nominee Justin Berry is doubling down. It's no surprise. Backing Trump's backwards agenda has always been priority one for Berry, and he will take the MAGA agenda to the State House if elected.

Berry's avid support for Trump netted him endorsements and campaign cash from Trump donors and allies. These destructive, out-of-touch special interests know that Berry will stand with Trump forces in the Legislature if he's given a chance in the State House.
