

## ***Luisa del Rosal Carries the Trump Banner*** ***Del Rosal's campaign of following Trump Republican Playbook***

Luisa del Rosal's first move was to fall in line. Since announcing her campaign, Del Rosal has waved the Trump-GOP banner to claim hundreds of thousands of dollars in funding from right-wing special interest groups and Trump's top allies in Texas. Her bankroll from Trump-allies and Texas' most divisive forces didn't go unnoticed by other discredited Republicans. Crude Texas House Speaker Dennis Bonnon [was caught on a private recording lauding Del Rosal's campaign while using obscenities](#) to describe Democrats and [offering far-right special interest groups special access to the Texas House](#).

Here's how Luisa del Rosal will advance the Trump/Republican agenda if she's allowed to take office:

**Dismantle Affordable Healthcare:** Luisa del Rosal is on board with the Trump Republican plan to dismantle access to healthcare. Del Rosal backs [repeal of the Affordable Care Act \(ACA\)](#) which means stripping away coverage for pre-existing conditions, access to quality, affordable healthcare, and prescription drugs. Del Rosal and the Texas Trump-GOP want to [continue to block the expansion of healthcare for over 1 million Texans](#).<sup>1</sup>

**Attack Public Schools:** Del Rosal has taken thousands in campaign funds from anti-public education ideologues who push private school vouchers - [shifting millions of dollars away from local neighborhood public schools and giving it to unaccountable private schools](#).<sup>2</sup>

**Promote Irresponsible Public Health Positions:** As COVID-19 cases began to surge in North Texas, Luisa del Rosal disregarded public health professionals and scientists [by promoting an ineffective reopening plan pushed by Donald Trump's top allies in Texas](#).<sup>3</sup>
