Greg Abbott and MAGA Trump Republicans Threaten Daughters, Parents, Doctors — All of Us

Under their law, all women, even a 10 year-old rape victim, are forced to give birth — and any doctor or parent who tries to help them could be prosecuted as a criminal.

The MAGA Republicans know their law is killing women, but they are hiding it by delaying the “publication of maternal death data until after the midterm” elections.

(Houston Chronicle, 9/13/22)
