Ella es sólo una niña...
Pero los republicanos
de Texas la obligarán
a dar a luz

Greg Abbott and MAGA Trump Republicans Threaten Daughters, Parents, Doctors — All of Us

Under their law, all women, even a 10 year-old rape victim, are forced to give birth — and any doctor or parent who tries to help them could be prosecuted as a criminal.

The MAGA Republicans know their law is killing women, but they are hiding it by delaying the “publication of maternal death data until after the midterm” elections.

Según su ley, todas las mujeres, incluso las víctimas de violación de 10 años, están obligadas a dar a luz, y cualquier médico o padre que intente ayudarlas podría ser procesado como delincuente.

YOU can protect Texas women and girls — but only by voting for every Democrat, FROM THE START TO THE FINISH of your 2022 ballot!
