A DRAMATIC RISE IN PREGNANT WOMEN DYING IN TEXAS AFTER ABORTION BAN

*DRAMÁTICO AUMENTO DE LAS MUJERES EMBARAZADAS
QUE MUEREN EN TEXAS TRAS LA PROHIBICIÓN DEL ABORTO*

Texas woman almost dies because she couldn't get an abortion

— CNN, 06/20/2023

Young mothers who suffer a miscarriage are being denied urgent medical care. Some have died because their doctors feared being prosecuted and sent to prison if they performed a life-saving abortion.

It's happening here in Texas because MAGA Republicans are intent on passing a national ban on all abortions.
