MAGA Republicans have taken away women's freedom.

The Texas abortion ban AND Maga Republicans are deadly for Texas women.

The MAGA Republican Texas abortion ban:

- Provides **NO EXCEPTIONS** when a woman's life is at risk.
- Takes away women's freedom to control their own health care decisions.
- Requires forced birth for rape victims, including girls as young as 11.

“A dramatic rise in pregnant women
dying in Texas after abortion ban.”
